Christmas Greetings To All

Shalom, from the Heart to Heart CWM here in Camdenton, MO. The leaves have fallen with the crisp fall night air which serves to remind us that the celebration of our risen Savior's birth is not far off. We pray you stop, to take the time to **make room for Jesus** this holiday season; He is the best gift of ALL! And so, it is with love and joy at this special time of year we want to express our sublime gratitude that you have put faith in Heart to Heart CWM during 2017 and partnered with us. To God, we give All the praise!

Fall Happenings

As co-workers in Christ our devoted volunteers facilitated several classes and support groups:

- Penny's Prayer Table meets weekly—ongoing.
- A five week Bible study is presently meeting weekly.
- A *Traumatic Brain Injury Support Group* meets once a month.
- Two *Making Peace with Your Past Support Groups* met weekly for 12 weeks.
- A *Moving Beyond Your Past Support Group* met weekly for 12 weeks.
- A *Basic Peer Counseling Training* (new volunteer training) class graduated, Nov. 13.
- On December 12th, four to six new receptionists will be trained, God willing.

Special Events

We were honored to be asked this fall to host our area's Pastor Prayer Breakfast on October 17, 2017. After a tour of our premises we served a hot breakfast and then did a short presentation followed by questions and answers about the Center. Many thanks to all that participated and contributed to such a wonderful morning full of prayers, good food and fellowship.

On November 15, 2017 we also hosted a very informative workshop called *Compassion without Compromise: Christian Response to Homosexuality*. The main 6 tips we took away from this eye-opening workshop: the battle is in the spiritual realm; homosexual practice is not the unpardonable sin; treat LGBT people the same as anyone else; keep the gospel at the center; don't force change on those that don't want it and connect to people who can help.

Make Room

for Jesus

And she brought forth her firstborn son; and she wrapped him in swaddling clothes, and laid him in a manger, because there was no room for them in the inn.

Making Peace Participant's Comments:

This class has been a life changing experience to find out things I did not know about myself. I am so very glad I took the class. Life is good! Thank you Heart to Heart for the opportunity to take it.

I am so grateful for how the Making Peace class has helped me move forward. I enjoyed the ladies and how we helped each other with God's guidance.

Glad I stumbled across this class. It has forced me to search deep inside myself to things I have hung onto far too long. I am healing, but still have a long way to go.

High Hill Christian Camp Fall Gathering

October 27 & 28, 2017 we were so pleased to have had the privilege and honor to have a group picture taken with Reova Meredith, Executive Director and founder of Center for Women's Ministries. Our Regional Director organized a spiritually refreshing getaway for all the Midwest center volunteers.

Winter Happenings

In December a new *Making Peace with Your Past* group started. A volunteer reception training will also be offered in December. In mid-January more groups will form such as *Making Peace with Your Past* and a *Boundaries Support Group*. For privacy concerns please call our office for exact dates, times, and details of these groups forming throughout the year along with other groups yet to be determined. It is as easy as simply calling the receptionist and recording your name and contact information in our Support Group Book. Get ready to start working on experiencing *the peace that passes all understanding* in your life! Shalom throughout 2018!

A group of us traveled to Nashville, TN the end of September to join the American Association of Christian Counselors' World Conference. The theme verse was "... it's for freedom that Christ has come to set us free, stand firm, therefore, do not submit again to a yoke of slavery." Gal 5:1 With 7,000 in attendance everyone was unfettered beyond measure!
